Peter Symonds College
Adult & Higher Education

WHY STUDY WITH US?

More than **2500** students enrol on leisure & language programmes each year. There is literally **something for everyone**.

70% of our Degree students achieve high grades ie: a **1st** or **2:1** Honours Degree.

- 2019/2020

Our HE students rated our standards of teaching at **95%** - well over the sector-wide average of 87%. - 2019/2020

In many subjects you can start at Level 2 (GCSE equivalent) and progress to a full degree programme.

Our pioneering approach to learning allows students to study for a degree **one day a week**, whilst **continuing in employment**.

Our **small class sizes** allow more opportunity for individual attention.

WELCOME

to the Peter Symonds Adult and Higher Education Division (AHED) brochure for Autumn 2021, full of courses and activities you can take advantage of during the autumn and into next year.

AHED offers opportunities to develop new skills both academic and recreational. You can gain the qualifications to go to university, or study for a university degree while continuing in your job; you can also change direction and train for a new career or profession. Alternatively (or as well) you can take advantage of our extensive Leisure and Modern Foreign Languages programmes.

At AHED, you can benefit from studying for a university qualification which fits around family responsibilities while also continuing in your current employment so that costs are kept to a minimum. Courses fit around your existing commitments so that you can develop your career whilst continuing to earn and gain work experience. Our ACCESS to HE programme provides a second chance to gain the entry qualifications required to study at university. All courses at AHED offer high quality teaching with small class sizes. Students often find they achieve much more than they believed they were capable of before starting their chosen course.

The leisure programme at AHED offers the chance to develop new skills in small groups under the guidance of an experienced tutor. Why not sample a workshop first before committing to a course? These range from Art, Textiles & Printing, Ceramics, Silversmithing, and Creative Writing to Health and Fitness, with more being added all the time. Or enhance your language skills with our Modern Foreign Language programme (French, German, Italian and Spanish) which not only moves from beginner level to advanced but also includes the culture of the various countries, too.

Feel free to join us on any of the Open Events listed on the back cover, or find out more at any time through our Virtual Open Event site where you can view sample lessons and webinars from past events at www.ahedopenevent.co.uk.

The impact of the Covid-19 virus continues to have an effect on everyone's lives. Now, more than ever, might be the ideal opportunity to train for a new career or take up a new past-time, so please do explore the courses offered by Peter Symonds Adult & Higher Education Division both in this brochure, on our website www.psc.ac.uk/ahed or via Reception.

We look forward to welcoming you to one of our courses soon.

DEGREE PROGRAMMES

We offer a range of degree programmes from foundation to full honours degrees. All of our HE programmes are designed to allow students to work alongside their studies, helping to keep costs down and allowing students to gain work experience in a sector relevant to their chosen course. Our degree courses are validated by **Middlesex University** and the **University of Chichester**. Attendance for our degree programmes is usually one afternoon and evening a week (13:00-19:00 or 13:30-19:30), excluding Counselling and Insurance.

70% of students graduate with either a first class or a 2.1 degree.

Louise Harfield
BA Management & Business

"Doing a degree through Peter Symonds AHED has completely changed my life. Going back into Education was a daunting thought, but I knew I needed a Degree for my career progression. Previously a House Keeper, I am now an Executive Assistant in the Clinical Services Sector!"

Andrea Huskinson
FdA Early Years

"I loved my degree course at Peter Symonds...it definitely inspired me and gave me the confidence to start a new job at a higher level. My Foundation degree in Early Years has led to me being made the Pre School Supervisor at a school in Swanmore, so I am no longer just an assistant. I am in charge."

HEALTH

VOCATIONALLY RELATED QUALIFICATIONS (VRQ)

VRQs are nationally-recognised qualifications that give students the skills and knowledge required to meet the standards of a particular industry. Rather than taking a formal examination, VRQs are assessed by a qualified assessor within your place of work through successful demonstration of the course learning outcome.

VRQs are suitable for learners who want to improve their knowledge and skills in the industry in which they are already employed such as healthcare, childcare or special education. Some courses may have additional entry requirements. Most courses take a maximum of six months to complete and can be started on demand at any time throughout the year. VRQs are available to study either online or through distance learning. Unless stated, Certificates are offered at Level 2. These qualifications are free, but please note that a fee is payable if you do not complete the course.

INSURANCE

"This degree is a fantastic experience. I did consider going to university, but the tuition fees put me off. At the end of the three years, I will have a degree as well as three years work experience, plus no debt and a job. This means I will have a competitive advantage over my peers who went to university."

Neil McDonald
BA (Hons) Insurance
Insurance Consultant, Be Wiser Insurance Ltd

The **BA (Hons) Insurance** is an exciting new approach to obtaining a degree, that offers students the opportunity to work within the insurance sector whilst they study. Applicants must either be in relevant vocational employment or will interview for employment with **Be Wiser Insurance** (Andover) on a starting salary of £18,000. Attendance at college is one full day a week on a day release basis.

The BA (Hons) Top-Up course is designed for those working in the profession, who have an Advanced Diploma in Insurance and would like to top-up to a full honours degree qualification.

SPORT INJURY & TREATMENT

These courses are aimed at those wishing to develop the knowledge and skills needed to start a career as a Sports Massage Therapist, Sport Massage Practitioner or in Sports & Health Promotion.

Level 3 Diploma in Sports Massage Therapy - Students will learn to work safely and effectively on dysfunctional tissue in a range of contexts and will cover areas such as Anatomy and Physiology, Principles of Health and Fitness and Sports Massage Treatments.

Level 4 Certificate in Sports Massage Therapy - This qualification builds upon the knowledge gained at Level 3, allowing students to develop a range of advanced skills and massage techniques.

BSc (Hons) in Sport Injury and Treatment - This degree programme provides you with a qualification to work as a sports therapist, assessing, treating and rehabilitating sports injuries. This will result in appropriate knowledge, understanding and skill to work in an unsupervised capacity providing sports therapy, body assessment and massage to both healthy and injured clients. Successful completion of the course will lead to a BSc (Hons) Degree in Sport Injury & Treatment from the University of Chichester. This programme is accredited by the Federation of Holistic Therapists (FHT).

LANGUAGES

We offer non examined language courses over 2 Semesters. Semester 1 (below) begins in the Autumn term, runs for 20-26 weeks and costs £270. Semester 2 is a continuation of the course and offered once Semester 1 completes, subject to sufficient interest and enrolment numbers. All courses will incorporate speaking, listening, writing and reading and grammar. **We strongly advise booking early for Semester 1 language courses to avoid disappointment.** *Students are welcome to join language courses at any point, if spaces are available*. **Please call Registry on 01962 889547 to enquire.** **Please Note: If enrolment numbers on a course are low, the weeks/hours may be changed to avoid cancellation.** Dates may have changed since publication - please check our website for the most up to date information.

Year 1 (Beginners): These classes take you through the basics of the language and related cultures. You will learn how to communicate in situations that you are likely to encounter as a tourist.

Year 2 (Advanced Beginners): You should already have a basic knowledge of the present tense. You will expand your vocabulary and grammar. In this year you will learn to talk using the past tense.

Year 3/4 (Intermediate): These levels are for students with several years previous knowledge of the language. Focus will be on the use of present, past and future tenses in everyday conversations.

Year 5/6 (Upper Intermediate): For those students who have been studying for a while and want to build on previous knowledge, expand their vocabulary and learn to use all tenses, including the subjunctive.

Advanced (Conversation): These Advanced classes are for students who are confident speaking the language and who want to practise it as they extend their knowledge about the social culture, media etc of the countries where the language is spoken. Includes some grammar.

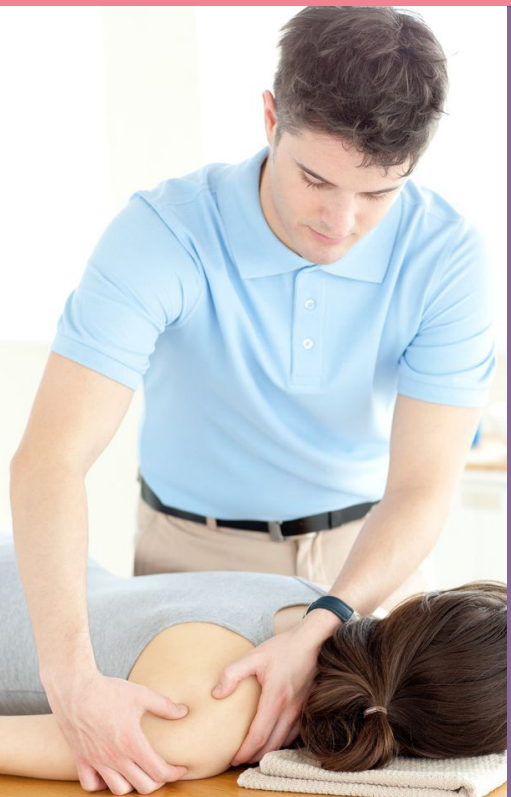
SYMONDS SALON

If you wish to indulge yourself with a facial, massage or new hairstyle at the Adult & Higher Education 'Symonds Salons', we would love to welcome you as a client. We offer a wide range of treatments carried out by students training towards their Levels 2 and 3 qualifications, under the direct supervision of highly qualified staff. The salons are fully equipped with everything you would expect to find in commercial premises, enabling our trainees to practise and develop skills within a realistic working environment.

Telephone: 01962 889545 **Email:** hairandbeauty@psc.ac.uk



SPORTS INJURY & MUSCULOSKELETAL THERAPY CLINIC

Have you got an injury? Are you in pain? Fed up of the muscle aches after exercise? Visit our Student Sports Injury Clinic at Peter Symonds College AHED.

Our BSc Sports Injury and Treatment students can provide fully insured, supervised sports injury assessment and treatment including sports massage, mobilisation, cryotherapy, thermotherapy and rehabilitation. They provide a full consultation and assessment prior to devising an individualised treatment plan for you. This will be confirmed by a supervisor who is a qualified Sports Therapist (BSc Sports Therapy and MSc Sports and Exercise Medicine).

Cost: £10 per treatment (£5 with student card)
Contact: sxdavis@psc.ac.uk

GENERAL INFORMATION

Children

Unfortunately, we are not able to offer crèche facilities. Courses rarely meet during half term breaks or school holidays, except Counselling. Parents are respectfully asked not to bring children to classes with them even if they are ill or off school. The college cannot be held responsible for children in an adult, public place.

Parking

Parking is available onsite, however there are only a limited number of bays for both staff and students. These are available on a first-come, first-served basis for staff and students and only whilst studying. There is £25 fine for parking onsite if you are not a student attending a course on that day or a student who has signed in at reception. A limited number of parking permits are available for student use - please enquire at reception.

Study Support

Our Study Support team are here to provide extra help if and when you need it. For further information please contact our Head of Adult Study Support on 01962 886166 or email ahed-studysupport@psc.ac.uk. We treat all enquiries on a confidential basis.

Student Handbook (Adults) & College Policies and Procedures

These are available on our website www.psc.ac.uk/ahed and contain important information about College, site maps and frequently asked questions. Please contact reception if you require a hard copy of the Student Handbook (Adults) or this brochure in a different format. We have separate policies and procedures for our Higher Education courses.

Equal Opportunities

The college is committed to promoting equal opportunities.

Students Outside the EEA without 3 Year Residency

Nationals from countries outside the EEA and British Nationals who do not satisfy 3-5 year residency requirements will not be eligible for Government subsidies. Please contact our Student Support team on 01962 886166 for further information.

Non Completion of Courses subsidised by the Education & Skills Funding Agency

Anyone taking courses subsidised by the Education & Skills Funding Agency (ESFA) but not intending to complete the qualification will lose the subsidy and will be required to pay the full cost. Please note that should funding be withdrawn during the year we reserve the right to charge full cost for the course. You will be asked to complete various forms at different stages of your course and your cooperation in this is essential in order to retain the subsidy. Please read the Student Handbook (Adults) and further information on fees, subsidies, instalments, refunds and transfers on our website.

Enrolment on Leisure Courses

You are advised to enrol onto your chosen course as early as possible to avoid disappointment. Places are allocated on a first come, first served basis. Telephone, online

GENERAL INFORMATION

and in person enrolments will naturally have priority over any form of written enrolment e.g. postal enrolments. Please do not turn up to a class if you have not received confirmation of your place as the class may be full and there may be a waiting list for the course. **Please print off your course details before you apply and keep a copy for future reference**. Students should note that their place will not be secured until they have paid their fees.

Instalment Plans

Students may pay in up to 3 instalments where a course fee is in excess of £100 and is longer than 12 weeks. Please note that a £25 administration fee applies. Further information and Terms and Conditions can be found on our website at www.psc.ac.uk/ahed under 'Payments & Refunds'.

Progression Advice & Information

Our Progression Advice & Information leaflet provides useful information and tips, whether you are looking to continue to study or seek employment. This leaflet can be found on our website at www.psc.ac.uk/ahed under 'Contacts, Information & Guidance' in the footer. For further information to support your learning, please visit www.gov.uk or contact the National Careers Service on 0800 100 900 or https://nationalcareers.service.gov.uk.

Disclaimer

The information contained in this brochure is correct as far as can be ascertained at the time of publication. **Fees may be subject to change according to funding regulations - check our website for the most current information**. Please note that courses may not run if enrolment numbers are too low for the course to be viable. The course length may be adjusted to allow the course to run on reduced enrolments. If courses are cancelled we will notify students within a minimum of 48 hours prior to the start of the course and arrange a transfer to another course or refund the course fee as soon as possible. Acceptance of fees does not mean the course will run. Responsibility is not accepted for clothing, property or vehicles lost, stolen or damaged by fire or any other cause.

FUNDING YOUR STUDIES

The table on p.30 details funding available, dependent upon the level of the course you wish to study and your age, based on 2020/21 funding rules.

What it means:

FIRST full Level 2 (LE2)	If you don't have a full level 2 qualification or higher, such as 5 GCSEs A*-C /Grade 4-9 or above.
FIRST full Level 3 (LE3) / Level 3 Adult Offer	If you don't have a full level 3 qualification or higher, such as 2 or more A Levels or above.

Within this, the funding is split into:

Free	You may need to declare your highest level of qualification, give your age, show evidence of particular benefits and/or confirm your employment status.
Subsidised	The Government will subsidise particular courses and, therefore, the fee shown already includes the subsidy. You may pay the fee in full or by instalments for courses costing over £100 and lasting for more than 12 weeks. Please note that a £25 admin fee applies to instalment plans.
Student Loan / Full Fees	There is no subsidy or funding for these courses. You may pay the fee in full, by instalments for courses costing over £100 and lasting for more than 12 weeks, or if applicable, apply for an Advanced Learner Loan. You will need to obtain a Learning & Funding information letter when you attend your interview so that you can apply online for the loan. You can also apply for a Higher Education Loan for relevant courses.

Other Funding Sources:

Student Loans Company (for Higher Education Courses only)

Tuition loans, grants and bursaries are available to all eligible students living in England and studying for their first degree. For further information on student finance packages please visit www.gov.uk/student-finance. Should you require further assistance regarding eligibility and required documentation please contact our Student Support team on 01962 886166, go to our website www.psc.ac.uk/ahed or visit AHED reception. If you have already studied for a degree, you are unlikely to be eligible for a Student Loan. For tuition fee assistance, some banks offer graduate loans but subject to their own terms & conditions.

Advanced Learner Loans

If you are 19 or over and starting an eligible further education course at Level 3 or above you may qualify for an Advanced Learner Loan (these are not applicable for Level 4/5 Foundation Degrees or Level 6 Top-Up Degrees. See above). It is easy for you to apply for a loan as household income isn't taken into account and there is no credit check. Importantly you won't have to pay anything back until your income is over £27,295 a year. Repaying your Advanced Learner Loan is straightforward and your monthly repayments will be based on your income, not what you borrowed. For more information please speak with our Student Support team at reception or visit www.gov.uk/advanced-learner-loan.
