IMPORTANT (For ALL Students)

You may be required to attend extra-curricular activity in connection with your course to achieve your qualification on different days/times to normal class times/days, for example, preparation for student Hair Show, Beauty Events, trips, etc.

We are committed to Equal Opportunities and affirm that all members of the College community are of equal value and are entitled to be treated fairly and without prejudice in every aspect of college life.

ACCIDENTS - REPORTING

Accidents involving students should be formally reported using the accident forms held in Business Manager's Office. The member of staff dealing with the accident will deal with this. Details of accidents involving a member of staff or to any visitor who is not a student should be recorded on form B1510 in the yellow accident book, which is kept by the Business Manager.

Major injuries, dangerous occurrences, some prescribed diseases must be reported to the Health and Safety Executive by the College Safety Officer.

All incidents are reported to the College Fire, Upkeep, Safety and Security (FUSS) Committee with follow up actions taken. An annual report is prepared for the first board meeting of the Governors each academic year.

ANTI BULLYING

We are committed to ensuring that all alleged instances of bullying are investigated swiftly and dealt with appropriately. The College has a zero tolerance of bullying. If you see bullying occurring or are being bullied, please tell your tutor, reception staff or another member of staff immediately.

ASSOCIATIVE DISCRIMINATION

This is when you are treated less favourably because of your connection with a person with a protected characteristic. Under the 2012 Equality Act, the protected characteristics include disability, age, sexual orientation, gender reassignment, pregnancy & maternity, race, religion & belief and gender. More information regarding this can be found on our website www.psc.ac.uk/ahed

ATTENDANCE

As per the College Charter, we expect you to aim for 100% attendance. Attendance is recorded for every timetabled session. Many awarding bodies will fail students who do not have at least an 80% attendance record. We place considerable emphasis on excellent attendance and punctuality, both to ensure success at College and to prepare those who have yet to experience full time employment for the expectations of the workplace.

ATTENDANCE BELOW 80% - HIGHER EDUCATION STUDY (with no medical evidence)

If your attendance falls below 80%, you may need to arrange a 'catch up' tutorial and pay £50 for the session. This will be a requirement to the continuation of your studies.

WHAT SHOULD I DO IF I AM UNABLE TO ATTEND COLLEGE?

If you are genuinely ill or unable to attend college, send an email to ahed@psc.ac.uk with "Attendance" in the Subject or telephone AHed Reception on the first day of your absence. Your absence will be noted on the register. If your attendance falls below 80%, you may be called in to meet with your tutor to discuss. Consistent non-attendance may jeopardise your place on the course and **you will be withdrawn if you do not attend for 3 consecutive weeks.**

NB: The College does not condone absences as they may impact on your final grades.

For under 19 year olds, if your parent or guardian does not contact the College as per the above, when you return you will need to see your tutor and bring a letter from parents/ guardians or other evidence to authorise your absence.

Students in receipt of a student loan should note that the College is required to report to the Student Loan Company regarding their attendance in order to receive tuition fees. Consistent non-attendance may impact on your loan payments. Any queries regarding your loan should be discussed with the Student Support Manager via AHed Reception.

ATTENDANCE AT COLLEGE WHEN NOT ATTENDING A CLASS

Please ensure you sign in at Reception when attending the College but not a class. If there is a fire or health & safety incident, we will be unaware unless you sign in, as you will not appear on a register.

WHAT DO I DO IF I CANNOT ATTEND EVERY WEEK, CAN I PAY FOR PART OF THE COURSE?

Unfortunately, we are unable to offer any reduced rates on our courses. Courses are only viable on the basis of everyone paying the full fee.

Please note that attendance will be taken in to account when applications for financial assistance are considered. As our payment records are audited, evidence will be required to support any absence authorisation.

WHAT IF I WANT TO SUSPEND MY STUDIES, TRANSFER OR WITHDRAW FROM MY COURSE?

Any student considering suspending their studies, transferring or withdrawing from their course **MUST** complete the 'Transfer, Suspension or Withdrawal of Studies' form with their Programme Leader (see page 16 – Financial Implications of Course Fees). It is important that students read the information on this form carefully and discuss the implications fully with their tutor and the Student Support Manager before making a decision.

BAD WEATHER

In bad weather - anything more than a light dusting of snow, for example - there will be notifications on our website www.psc.ac.uk/ahed. If a class is cancelled due to bad weather, we will endeavour to offer an alternative session to make up the lost class. The tutor will confirm to the class when the lost class will be made up. If a learner is unable to attend the alternative session, we regret we are unable to offer a refund. A refund will be made only if we are unable to offer an alternative session.

CAR PARKING/TRAVEL TO COLLEGE

Limited parking is available onsite and we encourage visitors to use public transport wherever possible. Parking spaces are available on a first-come, first-served basis. The car park is for staff and students only. When parking onsite, please park in the designated parking bays. Parking in non-designated areas obstructs delivery vans and prevents access for emergency vehicles. By obstructing others your car is also at a greater risk of accidental damage. As spaces are limited, please be considerate of other users and only park for the duration of your lesson. There are alternative places to park in the nearby streets, although some restrictions do apply. Please ensure you check local signs and park with consideration to our neighbours.

Please take note of the following restrictions that apply to parking at AHED and in the surrounding areas:

- THERE IS A **£25 FINE FOR PARKING ONSITE** if you are not a student attending a course on that day or a student who has signed in at Reception.
- **DO NOT DOUBLE PARK** on Campus!
- **DO NOT PARK ON THE GRASS**
- **Please drive carefully onsite and park considerately as a courtesy to pedestrians and other drivers**
- **Please be considerate to people with a registered disability and do not park in bays marked exclusively for their use. Cars parked in disabled bays without displaying the correct badge may be clamped**

DO NOT PARK IN ACORN CLOSE to avoid Traffic Wardens and prosecution from parking on PRIVATE PROPERTY!

PARKING PERMITS – Initially for Higher Education Students only

There will be a limited amount available for a small contribution, allowing on-street parking in specific zones near to AHED where parking restrictions apply. Please ask at Reception of how to apply for one.

Peter Symonds College accepts no responsibility for your parking choice

PUBLIC TRANSPORT LINKS

Winchester is well served by rail and there are good public transport links to AHED, with Stagecoach buses having a regular service from the surrounding areas and the city. The No. 3 bus from the City Centre to Harestock runs every 10 mins during the day. It travels up Stockbridge Road, via the railway station. Students should alight at Dean Lane Corner. Please check the current timetable for more details.

There are a number of different ticket types available including a “unirider” for students. If students are not at College full time, it may be cheaper to buy a “megarider” or “dayrider”. There is good information on the stagecoach website.

For under 19 year olds, please see the 6th form campus link <http://www.psc.ac.uk/support/student-services/transport/> for additional information on possible discounted travel. Please be aware that any buses specifically travelling to Peter Symonds College will only stop at the 6th form campus, not AHED.

PARK & RIDE

If you use the “Park & Ride”, you will need to get off in the City Centre and get a No 3 bus to Harestock (Dean Lane Corner). For more information, please visit <http://www.winchesterparkandride.co.uk>

LOCATION OF AHEd

AHEd Campus
Stoney Lane

Peter Symonds AHEd is located on the northern side of the City of Winchester and is easily accessed by all means of transport.

Peter Symonds College
Owens Road

CATERING

Hot drinks and vending machines are available at both the Stoney Lane and the 6th form campuses. Please note that food and drink MUST NOT be consumed in classrooms.

CCTV

For your safety and security, there are CCTV cameras in key areas around the College. Images may be passed on to the Police if there is suspicion of criminal activity on the part of trespassers, visitors or members of the College Community.

CHARGING OF 16-19 YEAR OLD STUDENTS

If appropriate, a student between 16 and 19 years of age may be accepted in the Adult & Higher Education Division of the College. The College is legally unable to charge tuition fees for 16-19 year old students undertaking accredited courses. Provision for this age group is usually made on the Owens Road campus. The College does not normally charge for public examinations. However, where a student at the College fails, without good reason, to complete the examination requirements or has a very poor record of attendance, the College reserves the right to charge full fees for all examinations taken.

If you are 19 or over on 31 August, of the academic year the enrolment takes place, you are deemed an adult.

LEISURE ENROLMENTS

There are no subsidies for leisure courses. A voluntary contribution will, therefore, be required from 16-19 year old students, not enrolled on our 6th form campus, to cover the leisure course tuition costs.

COMMENT OR COMPLAINT

The Adult & Higher Education Division welcomes feedback. We also recognise that, from time to time, students may wish to voice a concern about some aspect of our services or facilities.

Whether you have a compliment, a complaint or a comment, please feel free to use a Comments or Complaints form to express your thoughts. We are always keen to make improvements and regularly evaluate our service. We monitor the comments received (which can be anonymous) and refer to them when making improvements when planning our courses and in the information and advice offered. If you need to speak to a member of staff, the receptionist will either connect you directly or leave a message for the appropriate person who will contact you within 5 working days, except in exceptional circumstances when the situation will be made clear to you.

COMPLAINTS

The College Charter sets out students' responsibilities and entitlements. If anyone is dissatisfied with any aspect of college provision or feels she/he has been treated unfairly, the matter should be raised in the first instance with their tutor to resolve the matter quickly. If concerns are not resolved then the student has the right to make a formal complaint.

A Comments or Complaints Form setting out the appropriate steps can be obtained from the AHed Division Cafe archway area or can be found on our website www.psc.ac.uk/ahed. A student can expect an initial response to such a form normally within five working days of the form being received by the College.

COMPUTER ACCESS

Full time students who attend approximately 12 hours or more a week including Higher Education, will be issued at one of their first classes with a username and login to gain access to the College and personal computers, iPads and iPhones, etc. See page 21 for more information on moodle. Visit the Student Policies & Procedures on our website <https://ahed.psc.ac.uk/website/psapps/information.aspx?page=policiesandprocedures.aspx> for the "College IT Users policy" & "New Student Guide to the Network" on the Student Intranet via https://intranet.psc.ac.uk/itservices/view_page.php?PageID=132645). Please check your College emails regularly for notifications from staff/tutors.

CONDUCT OUTSIDE THE COLLEGE CAMPUS

Students must show respect, consideration and politeness towards neighbours. The College will treat as a serious matter any student identified as being rude and uncooperative towards any of our neighbours. Students must also show respect and consideration for others when on College trips and on work experience.

CONFIDENTIALITY AND DATA PROTECTION

Certain data is classified as 'sensitive'. This is data concerning, ethnic or racial origin, political opinion, criminal offences, religious beliefs, trade union membership, physical and mental health and medical history and criminal offences. The Act requires that the subject's express consent be gained prior to the recording or processing of such data and the college will uphold this requirement.

All interviews for information, advice and guidance, study support and financial hardship are strictly confidential and no information will be passed on to anyone else, not directly dealing with this, without your expressed permission.

Privacy Notice from the Education & Skills Funding Agency and Peter Symonds College: How we use your Personal Information

The personal information you provide when applying and enrolling at College will go on to our computer system. This information will be passed to the Chief Executive of Skills Funding ("the Agency") and when needed, the Department for Education, including the Education Funding Agency to meet legal responsibilities under the Apprenticeships, Skills, Children and Learning Act 2009, and for the Agency's Learning Records Service (LRS) to create and maintain a unique learner number (ULN). The information you provide may be shared with other organisations for education training and employment related purposes, including research.

Further information about use of and access to your personal data, and details of organisations with whom we regularly share data are available at: <https://www.gov.uk/government/publications/sfa-privacy-notice>

For the College to comply with this and receive funding for our courses, you will need to agree to Peter Symonds processing the personal data collected about you concerning and directly related to your attendance at this College and any other appropriate data that the College may obtain from you or others whilst you are a student at the College. You will agree to the processing of such data for any purposes connected with your studies, the administration of the College, health and safety or for any other legitimate reason. We do not provide a photocopying service; however, students wishing to photocopy items relating to their courses should speak to their tutor who can make the necessary arrangements.

PLAGIARISM

*Plagiarism is cheating. It includes copying sections or all of a piece of work verbatim without acknowledgement from other sources including textbooks, the internet, and the work of other students. All sources used must be acknowledged. Students who lend their work to others for the purpose of plagiarism are as culpable of cheating as the person to whom the work is lent. Accepting significant help from another person including a fellow student, teacher, parent or other adult is also deemed to be cheating. Receiving guidance from another person is acceptable but you must report the nature of the guidance to your teacher.

CRIMINAL CONVICTIONS

The College has a policy with regard to students with a criminal conviction. Students are asked to disclose a criminal conviction on their application form, following which further enquiries may be made before any offer of a place is made. If a student acquires a criminal conviction during their time at College, they should inform their Tutor who may make any enquiries deemed necessary. While the College is committed to ensuring equal opportunities for all students, there may be times when we have to assess whether or not it is appropriate for a student to enrol or continue with their programme of study, in line with our 'duty of care' to all students and staff.

ELECTRICAL SAFETY

Always carry out a brief visual check of electrical items before use. If you spot anything unusual or damaged, do NOT use it and tell a member of staff immediately. If you bring electrical items into College, ie laptops or chargers, you do so at your own risk and must carry out the same visual checks. All equipment must be switched off after use.

FIRE AND EMERGENCY EVACUATION

Students have a duty to learn and understand the Fire and Emergency Evacuation procedures. These are displayed in all rooms and will be explained to you by your tutor.

IF YOU DISCOVER A FIRE, YOU SHOULD:

- Raise the alarm by dialling 999
- Take the nearest exit to the designated assembly point
- Tell the first member of staff you see the LOCATION, NATURE and EXTENT of the fire
- During examinations – listen to and follow the Invigilator's instructions

IF YOU HEAR THE ALARM:

- In class – follow the routes and assemble at the assembly points set out on the fire notice in the room where you are working
- During private study – take the nearest exit and go to the nearest assembly point

At assembly points, you should assemble in your class and wait for your tutor who will call the roll. **If you are not attending a class but in the College, please sign in at Reception.**

EMERGENCY SAFETY:

The College has established procedures in case of an armed intruder or similar threat, encompassing police advice, which is:

- **RUN** (leave the area immediately)
- **HIDE** (if you can't run then find somewhere to hide, ie lockdown)
- **TELL** (call the police)

In the event of a lockdown, hide in the best place you can find. Turn your phone to silent and keep quiet. Await instructions and do not move unless instructed to do so by the police or a member of College staff. If you are advised to leave the campus, our emergency assembly point off campus is Dean Lane Park (opposite Waitrose).

PEEPs (Personal Emergency Evacuation Plans)

If you have temporarily restricted mobility either, after an incident in College or if you come into College with this issue, you need a temporary personal evacuation plan to be put in place immediately. Please discuss with your tutor in order for this to be put in place.

FIRST AID AND ILLNESS

FIRST AID

The College has a number of trained first aiders on its staff. The First Aider on duty can be contacted via Reception.

FIRST AID EQUIPMENT

Green First Aid Boxes marked with a white cross are situated at strategic points around both campuses.

ILLNESS

Minor injuries will be treated by any member of staff or responsible person. Please note that we are not allowed to dispense medicines of any kind, even aspirin or paracetamol. If you are likely to need an occasional painkiller, please bring your own supply. If you are ill but able to make your own way home, you should ensure you let your tutor know.

FUNDAMENTAL BRITISH VALUES (FBV)

The College expects all students to show consideration and respect for others, in keeping with fundamental British values:

“Fundamental British values are about democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs”

Democracy: Willing to listen to others with different views; know how to influence decision-making; be concerned about the welfare of others	Rule of law: Understand that laws protect everyone; no one is above the law. All are aware of rights and responsibilities
Mutual respect and tolerance: Understand and tackle prejudice, so that all are treated with dignity and respect	Individual liberty: Freedom; for example, the right to act, believe and express oneself in a manner of one's own choosing

These are also values shared by many throughout the world.

HEALTH AND SAFETY GUIDANCE

1. Safety guidance specific to subjects will be given to you as part of the induction process for those subjects. This note contains general safety information for the Adult & Higher Education Division
2. To ensure the safety of all people using the building we ask you to obey a few safety rules:

 - Please do not litter the premises, use the bins provided
 - Please drive carefully in the car parks and neighbouring streets and when the car park is full please be considerate to residents when parking locally
 - Report all accidents or near misses to a member of staff
 - Treat all alarms as the real thing. Evacuate quickly and assemble in the designated area. Know where all the fire exits are
 - No smoking is permitted within the building
 - No running within the building
 - No food or drink is permitted in classrooms
 - Please report any hazards to a member of staff
 - Items likely to cause injury and/or a nuisance to others will be confiscated

4. Students are not normally permitted into the building before 8.30am
5. Students are asked to book in at Reception if they wish to use a college computer (subject to availability). Wi-Fi is available – please see separate section for more information on page 27.

Finally, we expect you to behave responsibly whilst using the building – taking responsibility for your own safety and that of others. As a student, you are required to observe the safety instructions given to you, to act responsibly, to remain aware of factors affecting your safety and the safety of others, and to report any safety concerns to either your tutor, Reception staff or the Health & Safety Officer.

ID CARDS

It is intended that all “full time” (approximately 12 hours or more a week including Foundation Degree/Degree) students will be issued with a College identity card, which will act as proof of identity. To be admitted to the Owens Road campus, you must be DBS checked and/or issued with a College identity card. Students must carry their card at all times and be prepared to show it to any member of staff on request. This will help us to deter unwanted visitors. If you lose your ID card you should contact the AHED Reception who can organise another card for you (A £2 charge per re-issue is applicable).

In practical subjects, students must not wear clothing which could present a health and safety risk e.g. loose and flowing.

LEVELS

Entry Level is for beginners/those just starting out

Level 1 is a foundation level to develop and broaden skills

Level 2 is an intermediate level and is at a standard equivalent to GCSE. A 'full level 2' equates to 5 GCSEs grades A*-C/9-4

LITTER/CHEWING GUM

Students are expected to put litter and chewing gum in the waste bins and the recycling bins provided. Chewing gum should not be stuck to furniture or dropped on the ground but disposed of in waste bins. Not only is litter unpleasant for everyone but cans and plastic on the grass may be cut up by mowers. Litter on the paths and car park can be dangerous. Please also avoid dropping litter in the streets as you walk to and from College.

LOCKERS

Lockers are only available to Complementary Therapy, Beauty & Hairdressing students during class times. Access to lockers is available through course tutors.

LOST PROPERTY/THEFT

Any belongings, which you bring on to campus, you bring at your own risk and it is your responsibility to keep your belongings safe. If you do lose something then you should report it to Reception who will let you know if it is found. All unclaimed items at the end of every term will be disposed of.

If you think an item has been stolen, you should report this to Reception. You may want to make a report to the police and/or your Insurance Company if the item is valuable.

These must be turned off and placed out of sight during lessons, unless your tutor has given permission for them to be used for educational purposes. They are an easy target for theft and should not be left unattended.

Mobile phones must not be taken into the exam room. If they are taken in by mistake, they must be switched off, including any alarms, and put in bags at the back of the room. **Mobile phones which ring and disturb other exam candidates can result in the owner being disqualified from an examination.**

For full time students with printing rights at the College, you are able to arrange top up on the credit available by visiting AHED Reception (cash only).

PROGRESS REVIEWS

Progress Reviews are an opportunity for the student to sit down with their tutor and discuss their progress. An important part of the process is their own reflection on their progress. An action plan will then be drawn up. Progress Reviews occur in the Autumn and Spring terms and in the case of students under the age of 19, information regarding progress, effort and the number of completed homeworks is sent home to parents. Parents of students who are considered to need additional help and support are specifically invited in to discuss the progress.

Students have a key role to play in the progress review. The person who has the best insight into how well they are doing, how hard they are working, and what they might do to improve is themselves!

REFUNDS

Most providers do not offer refunds because it affects the viability of their programmes. Each course depends on the number of fees collected to cover the costs of the course and decisions based on whether the course will run are taken at the commencement of the course or programme.

In the event of the student being unable to commence the course, the following notice periods will apply:

- 28+ days prior to start of course - Full refund
- 27-8 days prior to start of course - 75% refund
- 7 days or less prior to start of course - No refund

For more detailed information on the Refund Policy, please contact the AHED Division Reception or refer to our website.

CIRCUMSTANCES BEYOND OUR CONTROL

If a class is cancelled due to circumstances beyond our control, we will, in the first instance, contact you by email and/or text and then, if time, follow up with a phone call. We will endeavour to offer an alternative session to make up the lost class. If a learner is unable to attend the alternative session, we regret we are unable to offer a refund. A refund will be made only if we are unable to offer an alternative session. Please ensure that we have your most up to date contact details.

SAFEGUARDING & SECURITY (incl Prevent Duty)

Leaflets entitled "Helping to Keep you Safe" outlines the College philosophy and simple measures you can take to ensure your own and others' safety. Further information and advice on safeguarding is available in the section called "Safeguarding at ACE" on the Peter Symonds' Student Intranet website.

The College takes great care to provide a safe and secure institution for your education. Security is the responsibility of everyone. Students must not leave valuables in a position where they may be stolen. If you have any concerns about security issues, or spot anything which you believe may constitute a risk to the College, its users or staff, please do not hesitate to make these known to your tutor or Reception.

The Prevent Duty came into effect as at 1 July 2015. The Counter-Terrorism & Security Act 2015 requires the College to have due regard to the need to prevent people from being drawn into terrorism. The Prevent agenda aims to stop people from becoming terrorists or supporting terrorism by working with individuals and communities to address issues before they become a criminal matter, to stop people from moving from extremism to terrorist-related activity. If you believe someone is at risk of radicalisation, talk to your Tutor. As with any other safeguarding matter, the situation will be explored further which may include advice being sought from an external agency. A formal referral may then be made to the police.

For further information, please see the Policies & Procedures on our website at www.psc.ac.uk/ahed in the Student Zone.

SMOKING (incl. electronic cigarettes)

The college operates a **no smoking** policy in all areas. It is illegal to smoke in any of the College's buildings. It is also not permitted to smoke around College entrance areas or near windows where people can be affected by the smoke. It is EXPECTED you will only smoke in the DESIGNATED area. Non-compliance could lead to disciplinary procedures and withdrawal from your course.

STUDENT DRESS CODE

The student contract states that clothes appropriate to the working environment must be worn and offensive logos on T-shirts are not acceptable; smart casual wear is the accepted norm. Clothes that are too revealing, such as loose jeans with no belt, or low necklines, may also be found to be offensive by others, including staff and fellow students.

If students choose subjects where it is necessary to wear protective clothing e.g. a lab coat and goggles, they will only be able to participate fully if they wear these. In practical subjects, students must not wear clothing which could present a health and safety risk e.g. loose and flowing. Students should not wear clothing, which restricts the ability of others to identify them whilst on campus or in examinations, eg hoods or crash helmets. Therefore, unless there is medical evidence (i.e. a Doctor's letter) or religious grounds, hats and hoods will not be permitted in classes and examinations. The face must not be covered.

This code is not intended to restrict unnecessarily students who may wish to wear particular clothing associated with their religious beliefs, but nonetheless the issues of health and safety, and of the need for students to be readily identifiable, are considered essential.

STUDENT LOANS

There are two types of loans available for courses offered at AHed:

1. Full time Higher Education loan for Foundation degrees, full degrees and top-up degree courses only;
2. Advanced Learner Loan for eligible level 3, 4, 5 & 6 courses that are **NOT university degree courses**.

If you choose to pay for your course fees by loan, **please choose the correct category of loan from the above** when you first apply!

HIGHER EDUCATION

The foundation degrees and degrees offered are classed as **full-time** for student finance purposes. You may be eligible to apply for a tuition fee loan and/or a maintenance loan. You should apply for a loan as soon as possible so that it will be in place at the start of your course. The code for Peter Symonds College is ADOA. Further information on Student Finance can be found on the following website: <https://www.gov.uk/student-finance>. You can also use the Student Finance Calculator to look at the finance you may be able to get <https://www.gov.uk/student-finance-calculator>. Once processed, please ensure you pass on the "University or College Payment Advice" to the Student Support Manager via the AHED Division Reception as soon as you receive it so that the loan can be processed as smoothly as possible.

ADVANCED LEARNER LOANS (FURTHER EDUCATION)

If you are aged 19 or over at the start of your course and enrolling on an eligible Level 3 or Level 4 course, you may opt to apply for an Advanced Learner Loan to pay for your course fees <https://www.gov.uk/advanced-learner-loan/overview>. At interview, you will be given a 'Learning and Funding Information' letter, which will provide you with all the information required to apply online for the loan. If you do not have access to a computer, please contact the Student Support team via the AHED Reception, who will either be able to arrange for you to use a computer or provide you with a hard copy form. Once processed, please ensure you provide written confirmation of your loan to the Student Support Manager via the Division Reception as soon as it is received.

FOR ALL LOANS - Please Note:

- If your loan is not approved before the end of November 2017, we will ask you to start paying your fees by instalments. Then once the loan is approved and we are in receipt of the first payment, we will arrange to refund any payments made;
- If your loan application is unsuccessful, you will need to arrange to pay your course fees including any exam/registration fee as soon as possible either in full or by instalments (see instalments section).

If you subsequently withdraw or are withdrawn from your course, you will become personally liable for any amount outstanding for the remainder of the course. You will need to pay the outstanding balance within 7 days of your withdrawal. If this is not possible, please speak to the AHED Business Manager on 01962 889542 to make alternative arrangements.

STUDENT UNION

If you would like to belong to the College Student Union, please contact Student Services on 01962 857547. There are also opportunities to become a Student Governor by contacting Hilary Walsh, Clerk to the Governors on 01962 857526.

STUDY SUPPORT

The College has a commitment to support students who need additional study support. If you feel you may need additional help to progress towards, and successfully achieve, your learning goal, this can be arranged through the Head of Learning Support (AHED) at the Division. You can ask for study support at any stage of your course. All students on accredited courses will be provided with an initial assessment.

HOW DO I INFORM THE COLLEGE THAT I MAY NEED ADDITIONAL STUDY SUPPORT?

You can let us know in the following ways:

- Self-referral by indicating your need for additional study support on your enrolment card/when enrolling by phone/when enrolling face to face
- Referral during the course by the tutor
- Self-referral at any time during the course
- Complete an "Additional Support" screener on moodle, once you have been issued with your general IT username and password

WHAT HAPPENS NEXT?

You will be contacted by the Head of Learning Support (AHEd) to discuss your additional support needs. All discussions and requests are treated confidentially. Some people may have reservations about declaring a difficulty or disability. They might feel they are able to cope, or they might fear discrimination. Even if you believe you will be able to cope, we recommend that you discuss the implications of any disability with the Head of Learning Support (AHEd) to ensure that we can adequately meet your needs and that you have information about the support available. These discussions will be strictly confidential.

SERVICES

There is a small team of staff at the Adult & Higher Education Division, who have experience in supporting students with additional support needs. This team can work with students on a 1:1 or a group basis. We offer a range of support to anyone who has a disability that may affect their learning. This could cover:

- Learning difficulties
- Specific learning difficulties such as dyslexia
- Sensory impairment (eg visual, hearing)
- Physical disabilities
- Difficulties in learning associated with mental health problems

The type of study support you may require will depend on your individual needs, however, the support available can include:

- Special equipment and aids (eg hearing loop, large print)
- Special arrangements for external examinations (eg extra time, reader, scribe, word processor)
- Individual support from a Learning Support Assistant
- Note Takers
- Study Skills
- Specialist Teacher

There is also Academic & Study Support available for Higher Education students on a wide range of topics including:

- Planning and writing essays
- Writing reports and dissertations
- Citing and referencing
- Reading for comprehension and note-taking
- Studying for exams
- Managing time effectively

If you think you may need special examination arrangements, we must know **AT LEAST 6 WEEKS PRIOR** to your examination so we can prepare a report and submit this to the awarding body for their approval.

For further information please contact the Head of Learning Support (AHEd) on 01962 886166 or ahed-studysupport@psc.ac.uk

TRANSFERS

There is no administrative charge for transfers between similar Adult & Higher Education Division courses. Requests should be made **in writing** to the Registry **before, or within 7 days of the commencement of the course**.

The transfer of fees or substitutions between students is not permitted. No credit can be given in respect of payments made to other colleges.

ONE DAY WORKSHOPS

We require 7 days written notice prior to the commencement of your one day course for a transfer.

This is because one day workshops often run with lower numbers and we need to make a decision to employ the tutor 7 days before the workshop takes place.

UCAS Deadlines

2017 ENTRY

You can apply via UCAS up until 20 September 2017 and applications must arrive at UCAS by 18:00 (UK time). **You may still apply directly to the College, for a place on a Higher Education course, up until the October half term (excluding Counselling) subject to availability.**

Please visit <https://www.ucas.com/advisers/getting-started/application-deadlines> for specific dates/details.

2018 ENTRY

The dates vary between courses and course providers:

15 October 2017

Applications for Oxford, Cambridge or most courses in medicine, dentistry and veterinary medicine/science should arrive at UCAS by 18:00 (UK time). **The reference needs to be completed before the application can be sent to us – College deadline is Tuesday 26 September 2017.**

15 January 2018

Applications for the majority of undergraduate courses should arrive at UCAS by 18:00 (UK time) on this day (check course details in our search tool for the correct deadline). The reference needs to be completed before the application can be sent to us. College deadline is Tuesday 7 November 2017. The College will still process applications and send them to UCAS after this date, but cannot guarantee that they will reach UCAS by the deadline in January 2018.

UCAS will process applications up until 30 June 2018, for entry in 2018, but any received after 15 January 2018 will be marked 'Late Applicant' and universities will consider them after the first cohort. Any applications that reach UCAS after 30 June 2018 will go straight into clearing.

24 March 2018

Some art and design courses have a 24 March deadline; applications should arrive at UCAS by 18:00 (UK time). (Others have a 15 January deadline – check course details in our search tool to confirm the correct deadline.)

4 July 2018

Last date for applicants to add an Extra choice.

31 August 2018

The deadline for any remaining conditions to be met – otherwise, the university or college might not accept the applicant – this day also marks the end of Adjustment.

See the UCAS Tariff information on the UCAS website: <https://www.ucas.com/ucas/tariff-calculator> As not all universities and colleges use the Tariff, it is really important to check the entry requirements for the course(s) you are interested in. If you have any questions, talk to the university or college you are applying to.

Wi-Fi

You can access PSC Wireless by using your Peter Symonds College username and password. If you are a visitor to the Division, please use the details placed on the noticeboard daily in the Café area.

WITHDRAWAL FROM YOUR COURSE

If you are considering withdrawing from your course, it is important to speak to your tutor or Head of Curriculum before committing to this course of action. You may, dependent upon the circumstances, be able to suspend your studies. In either case, you will need to complete a 'Transfer, Suspension or Withdrawal of Studies' form.

If you withdraw or are withdrawn from your course, you will become personally liable for any amount outstanding for the remainder of the course. You will need to pay the outstanding balance within 7 days of your withdrawal. If this is not possible, please speak to the Business Manager on 01962 889542 to make alternative arrangements.

What do I do if I join a class that does not recruit enough students?

Most courses need a minimum number to start and to continue, and some may need to be closed or merged. We reserve the right to reduce the length of a course if there are insufficient numbers in order to make the course viable and enable it to run.

To minimise disappointment and enable students' courses to start confidently, the Division aims where possible to withdraw undersubscribed courses from its programme before their commencement. Enrolled students thus affected will be informed and, when possible, offered alternatives on a priority basis. If such alternatives are not acceptable, a full refund of fees paid will be actioned.

Every reasonable effort is made to ensure that courses continue once properly underway. In the case of modular courses, no guarantee is given that a minimum number of modules will be run within any one year, although the Division will continue to make every reasonable effort to ensure that candidates are able to meet the overall requirements for certification within a reasonable period.

What do I do if I really don't want to enrol in advance?

The previous paragraph explains why we have to withdraw courses that appear to have insufficient interest shown in them. In previous years some people have been surprised and disappointed to find that courses they had every intention of joining had been withdrawn. Courses with insufficient numbers are cancelled 48 hours before they are due to start.

Under no circumstances can places be held without FULL payment.

The other reason for enrolling in advance is to ensure you have a place. Places are given on a **first come first served basis** on payment of the course fee. The full choice of courses will only be available to those who act quickly. Therefore, students are urged to enrol in advance to avoid disappointment.

Can I join a class that has already started?

If there are spaces available on a class that has already started, you are able to join it but will need to pay the full fee. If it is a course leading to a qualification, the decision will depend on whether the Head of Curriculum deems that you will be able to catch up any work already undertaken.

For a leisure course, the Head of Curriculum will also advise whether it is suitable to join a course midway through. Depending on the number of weeks remaining, a reduced fee may be charged, however, this is at the discretion of the Director of Adult & Higher Education.

What do I do if anything goes wrong?

If you have any concerns about your course, the information you have received, your tuition, any aspect of the College environment, eg toilet facilities, broken or defective equipment or if you feel you have been unfairly treated in any way please let us know. In the case of an academic matter, please discuss this with your tutor or Head of Curriculum. For other matters, please contact Reception.

What do I do if I have to take the accreditation process or examination for my course?

If your course leads to accreditation, it has been subsidised by 50% by the Education & Skills Funding Agency and it is a condition of the subsidy you receive that you agree to take part in any accreditation or examination procedure as agreed by you and your tutor on the Learning Agreement.

What should I do if I am finding my subjects too hard?

- Ask your tutor for help – talk to them at the end of a lesson and arrange a mutually convenient time to go through whatever it is you don't understand
- Seek assistance from the Head of Learning Support (AHED) (see Study Support Section on page 25)

What should I do if I am not sure what course to do next?

Contact the receptionist who will refer your enquiry to the appropriate person. They will contact you within 5 working days. An appointment can be made for you to speak with one of the Heads of Curriculum. All records of such interviews are confidential. Staff offering information and advice are all competent to the level at which they are working.
