IMPORTANT (For ALL Students)

You may be required to attend extra-curricular activity in connection with your course to achieve your qualification on different days/times to normal class times/days, for example, preparation for student Hair Show, Beauty Events, trips, etc.

We are committed to Equal Opportunities and affirm that all members of the College community are of equal value and are entitled to be treated fairly and without prejudice in every aspect of college life.

ACCIDENTS - REPORTING

Accidents involving students should be formally reported using the accident forms held in Business Manager's Office. The member of staff dealing with the accident will deal with this. Details of accidents involving a member of staff or to any visitor who is not a student should be recorded on form B1510 in the yellow accident book, which is kept by the Business Manager.

Major injuries, dangerous occurrences, some prescribed diseases must be reported to the Health and Safety Executive by the College Safety Officer.

All incidents are reported to the College Fire, Upkeep, Safety and Security (FUSS) Committee with follow up actions taken. An annual report is prepared for the first board meeting of the Governors each academic year.

ANTI BULLYING

The college considers bullying and harassment in any form to be a serious offence which will not be tolerated. A zero tolerance approach is adopted. Initially informal procedures will be used with the aim of resolving the issue. Formal procedures which may involve the disciplinary procedure will be used where appropriate. For further information see the prevention of bullying and harassment (students) policy & procedure.

ASSOCIATIVE DISCRIMINATION

This is when you are treated less favourably because of your connection with a person with a protected characteristic. Under the 2012 Equality Act, the protected characteristics include disability, age, sexual orientation, gender reassignment, pregnancy & maternity, race, religion & belief and gender. More information regarding this can be found on our website www.psc.ac.uk/ahed

ATTENDANCE

As per the College Charter, we expect you to aim for 100% attendance. Attendance is recorded for every timetabled session. Many awarding bodies will fail students who do not have at least an 85% attendance record and this is the minimum required attendance at the College. We place considerable emphasis on excellent attendance and punctuality and we ask you to respect and adhere to these values to ensure success both at College and to prepare those who have yet to experience full time employment for the expectations of the workplace. **If you are not attending a class but are in the College, for health & safety reasons, please sign in at Reception.**

ATTENDANCE BELOW 85% - HIGHER EDUCATION STUDY (with no medical evidence)

If your attendance falls below 85%, you may need to arrange a 'catch up' tutorial and pay £50 for the session. This will be a requirement to the continuation of your studies. A fee will not be charged where a student's attendance has fallen for medical reasons – medical certification will be required in order for the fee to be waived.

WHAT SHOULD I DO IF I AM UNABLE TO ATTEND COLLEGE?

If you are genuinely ill or unable to attend college, send an email to ahed@psc.ac.uk with "Attendance" in the Subject or telephone AHED Reception on the first day of your absence. Your absence will be noted on the register. If your attendance falls below 85%, you may be called in to meet with your tutor to discuss. Consistent non-attendance may jeopardise your place on the course and **you will be withdrawn if you do not attend for 3 consecutive weeks** possibly leading to financial implications, especially if you have a loan or are paying by instalments.

NB: The College does not condone absences as they may impact on your final grades.

For under 19 year olds, if your parent or guardian does not contact the College as per the above, when you return you will need to see your tutor and bring a letter from parents/ guardians or other evidence to authorise your absence.

Students in receipt of a student loan should note that the College is required to report to the Student Loan Company regarding their attendance in order to receive tuition fees. Consistent non-attendance may impact on your loan payments. Any queries regarding your loan should be discussed with the Student Support Manager via AHED Reception.

ATTENDANCE AT COLLEGE WHEN NOT ATTENDING A CLASS

Please ensure you sign in at Reception when attending the College but not a class. If there is a fire or health & safety incident, we will be unaware unless you sign in, as you will not appear on a register.

WHAT DO I DO IF I CANNOT ATTEND EVERY WEEK, CAN I PAY FOR PART OF THE COURSE?

Unfortunately, we are unable to offer any reduced rates on our courses. Courses are only viable on the basis of everyone paying the full fee.

Please note that attendance will be taken in to account when applications for financial assistance are considered. As our payment records are audited, evidence will be required to support any absence authorisation.

WHAT IF I WANT TO SUSPEND MY STUDIES, TRANSFER OR WITHDRAW FROM MY COURSE?

Any student considering suspending their studies, transferring or withdrawing from their course should first discuss this with their tutor or Curriculum Head. If they decided to proceed with the decision to suspend, transfer or withdraw, they **MUST** complete the 'Transfer, Suspension or Withdrawal of Studies' form (see page 17 – Financial Implications of Course Fees). It is important that students read the information on this form carefully and discuss the implications fully with their Tutor/Programme Leader/Curriculum Head and the Student Support Manager before making a decision.

BAD WEATHER

In bad weather - anything more than a light dusting of snow, for example - there will be notifications on our website www.psc.ac.uk/ahed and/or on BBC Radio Solent. If a class is cancelled due to bad weather, we will endeavour to offer an alternative session to make up the lost class. The tutor will confirm to the class when the lost class will be made up. If a learner is unable to attend the alternative session, we regret we are unable to offer a refund. A refund will be made only if we are unable to offer an alternative session.

CAR PARKING/TRAVEL TO COLLEGE

Limited parking is available onsite and we encourage visitors to use public transport wherever possible. Parking spaces are available on a first-come, first-served basis. The car park is for staff and students only. When parking onsite, please park in the designated parking bays. Parking in non-designated areas obstructs delivery vans and prevents access for emergency vehicles. By obstructing others your car is also at a greater risk of accidental damage. As spaces are limited, please be considerate of other users and only park for the duration of your lesson. There are alternative places to park in the nearby streets, although some restrictions do apply. Please ensure you check local signs and park with consideration to our neighbours.

Please take note of the following restrictions that apply to parking at AHED and in the surrounding areas:

- **THERE IS A £25 FINE FOR PARKING ONSITE** if you are not a student attending a course on that day or a student who has signed in at Reception.
- **DO NOT DOUBLE PARK** on Campus!
- **DO NOT PARK ON THE GRASS**
- **Please drive carefully onsite and park considerately as a courtesy to pedestrians and other drivers**
- **Please be considerate to people with a registered disability and do not park in bays marked exclusively for their use. Cars parked in disabled bays without displaying the correct badge may be clamped**

DO NOT PARK IN ACORN CLOSE to avoid Traffic Wardens and prosecution from parking on PRIVATE PROPERTY!

PARKING PERMITS – Initially for Higher Education Students only

There will be a limited number available for a small contribution, allowing on-street parking in specific zones near to AHED where parking restrictions apply. Please ask at Reception of how to apply for one.

Peter Symonds College accepts no responsibility for your parking choice

PUBLIC TRANSPORT LINKS

Winchester is well served by rail and there are good public transport links to AHED, with Stagecoach buses having a regular service from the surrounding areas and the city. The No. 3 bus from the City Centre to Harestock runs every 10 mins during the day. It travels up Stockbridge Road, via the railway station. Students should alight at Dean Lane Corner. Please check the current timetable for more details.

There are a number of different ticket types available including a "unirider" for students. If students are not at College full time, it may be cheaper to buy a "megarider" or "dayrider". There is good information on the stagecoach website.

For under 19 year olds, please see the 6th form campus link <https://www.psc.ac.uk/student-services> for additional information on possible discounted travel. Please be aware that any buses specifically travelling to Peter Symonds College will only stop at the 6th form campus, not AHed.

PARK & RIDE

If you use the “Park & Ride”, you will need to get off in the City Centre and get a No 3 bus to Harestock (Dean Lane Corner). For more information, please visit <http://www.winchesterparkandride.co.uk>

LOCATION OF AHed

AHed Campus
Stoney Lane

Peters Symonds AHed is located on the northern side of the City of Winchester and is easily accessed by all means of transport.

Peter Symonds College

Other roads in the area around AHED (where parking restrictions do not apply)

BUSES – There is a good service to and from the city. But check timetable!

Peter Symonds College accepts no responsibility for your parking choice.

CATERING

Hot drinks and vending machines are available at both the Stoney Lane and the 6th form campuses. Please note that food and drink **MUST NOT** be consumed in classrooms.

CCTV

For your safety and security, there are CCTV cameras in key areas around the College. Images may be passed on to the Police if there is suspicion of criminal activity on the part of trespassers, visitors or members of the College Community.

CHARGING OF 16-19 YEAR OLD STUDENTS

If appropriate, a student between 16 and 19 years of age may be accepted in the Adult & Higher Education Division of the College. The College is legally unable to charge tuition fees for 16-19 year old students undertaking accredited courses. Provision for this age group is usually made on the Owens Road campus. The College does not normally charge for public examinations. However, where a student at the College fails, without good reason, to complete the examination requirements or has a very poor record of attendance, the College reserves the right to charge full fees for all examinations taken.

If you are 19 or over on 31 August, of the academic year the enrolment takes place, you are deemed an adult.

LEISURE ENROLMENTS

There are no subsidies for leisure courses. A voluntary contribution will, therefore, be required from 16-19 year old students, not enrolled on our 6th form campus, to cover the leisure course tuition costs.

COMMENT OR COMPLAINT

The Adult & Higher Education Division welcomes feedback. We also recognise that, from time to time, students may wish to voice a concern about some aspect of our services or facilities.

Whether you have a compliment, a complaint or a comment, please feel free to use a Comments or Complaints form to express your thoughts. We are always keen to make improvements and regularly evaluate our service. We monitor the comments received (which can be anonymous) and refer to them when making improvements when planning our courses and in the information and advice offered. If you need to speak to a member of staff, the receptionist will either connect you directly or leave a message for the appropriate person who will contact you within 5 working days, except in exceptional circumstances when the situation will be made clear to you.

COMPLAINTS

The College Charter sets out students' responsibilities and entitlements. Always try to resolve complaints with your tutor, personal tutor or curriculum head. If complaints are not resolved informally then the complainant has the right to make a formal complaint in writing to the Director of Adult & Higher Education who will investigate the complaint and seek a resolution. The college aims to deal with all complaints within in five working days of the complaint being received and will inform the complainant in writing regarding the results of the investigation. In the case of a complainant not being satisfied with the outcome of their formal complaint then the matter will be referred to the College Complaints Panel whose decision or recommendation will be final.

A Comments or Complaints Form setting out the appropriate steps can be obtained from the AHed Division Cafe archway area or can be found on our website www.psc.ac.uk/ahed

COMPUTER ACCESS

Students attending accredited courses leading to a qualification will be issued, at one of their first classes, with a username and login to gain access to the College and personal computers, iPads and iPhones, etc. See page 21 for more information on moodle. Visit the Student Policies & Procedures on our website <https://ahed.psc.ac.uk/website/psapps/information.aspx?page=policiesandprocedures.aspx> for the "College IT Users policy" & "New Student Guide to the Network" on the Student Intranet via https://intranet.psc.ac.uk/itservices/view_page.php?PageID=132645). Please check your College emails regularly for notifications from staff/tutors.

CONDUCT OUTSIDE THE COLLEGE CAMPUS

Students must show respect, consideration and politeness towards neighbours. The College will treat as a serious matter any student identified as being rude and uncooperative towards any of our neighbours. Students must also show respect and consideration for others when on College trips and on work experience.

CONFIDENTIALITY AND DATA PROTECTION/PRIVACY NOTICE

Peter Symonds College will comply with the General Data Protection Regulations 2018 and will collect data as part of the application and recruitment process. Offers of a place at the college are subject to this data being provided by the applicant.

Certain data is classified as 'sensitive'. This is data concerning, ethnic or racial origin, political opinion, criminal offences, religious beliefs, trade union membership, physical and mental health and medical history and criminal offences. PLAGIARISM

*Plagiarism is cheating. It includes copying sections or all of a piece of work verbatim without acknowledgement from other sources including textbooks, the internet, and the work of other students. All sources used must be acknowledged. Students who lend their work to others for the purpose of plagiarism are as culpable of cheating as the person to whom the work is lent. Accepting significant help from another person including a fellow student, teacher, parent or other adult is also deemed to be cheating.

All work submitted for assessment by students is accepted on the understanding that it is the students' own effort without falsification of any kind. Students are expected to offer their own analysis and presentation of information gleaned from research, even when group exercises are carried out. Insofar as students rely on sources, they should reference these in accordance with the appropriate convention in their discipline. It is not an offence if the material is acknowledged by the student as the work of another through the accurate use of quotation marks and the provision of detailed references and a bibliography.

CRIMINAL CONVICTIONS

The College has a policy with regard to students with a criminal conviction. Students are asked to disclose a criminal conviction on their application form, following which further enquiries may be made before any offer of a place is made. If a student acquires a criminal conviction during their time at College, they should inform their Tutor who may make any enquiries deemed necessary. While the College is committed to ensuring equal opportunities for all students, there may be times when we have to assess whether or not it is appropriate for a student to enrol or continue with their programme of study, in line with our 'duty of care' to all students and staff.

DRUGS & ALCOHOL

The college recognises the risks posed to students and staff by the misuse of drugs and alcohol and our responsibilities under relevant legislation. We are committed to the education of staff and students about the consequences of drug and alcohol use and misuse.

Furthermore, the College is committed to providing a safe and secure environment for all of its staff, students and visitors, and in order to maintain this environment the use and supply of controlled drugs is prohibited and the use and supply of alcohol is strictly regulated. For further information please see the drugs policy and procedures for dealing with a drugs or alcohol related incident.

ELECTRICAL SAFETY

Always carry out a brief visual check of electrical items before use. If you spot anything unusual or damaged, do NOT use it and tell a member of staff immediately. If you bring electrical items into College, ie laptops or chargers, you do so at your own risk and must carry out the same visual checks. All equipment must be switched off after use.

FIRE AND EMERGENCY EVACUATION

Students have a duty to learn and understand the Fire and Emergency Evacuation procedures. These are displayed in all rooms and will be explained to you by your tutor.

IF YOU DISCOVER A FIRE, YOU SHOULD:

- Raise the alarm by dialling 999
- Take the nearest exit to the designated assembly point
- Tell the first member of staff you see the LOCATION, NATURE and EXTENT of the fire
- During examinations – listen to and follow the Invigilator's instructions

IF YOU HEAR THE ALARM:

- In class – follow the routes and assemble at the assembly points set out on the fire notice in the room where you are working
- During private study – take the nearest exit and go to the nearest assembly point
- During examinations – listen to and follow the Invigilator's instructions

At assembly points, you should assemble in your class and wait for your tutor who will call the roll. **If you are not attending a class but in the College, please sign in at Reception.**

EMERGENCY SAFETY:

The College has established procedures in case of an armed intruder or similar threat, encompassing police advice, which is:

- **RUN** (leave the area immediately)
- **HIDE** (if you can't run then find somewhere to hide, ie lockdown)
- **TELL** (call the police)

In the event of a lockdown, hide in the best place you can find. Turn your phone to silent and keep quiet. Await instructions and do not move unless instructed to do so by the police or a member of College staff. If you are advised to leave the campus, our emergency assembly point off campus is Dean Lane Park (opposite Waitrose).

PEEPs (Personal Emergency Evacuation Plans)

If you have temporarily restricted mobility either, after an incident in College or if you come into College with this issue, you need a temporary personal evacuation plan to be put in place immediately. Please discuss with your tutor in order for this to be put in place.

FIRST AID AND ILLNESS

FIRST AID

The College has a number of trained first aiders on its staff. The First Aider on duty can be contacted via Reception.

FIRST AID EQUIPMENT

Green First Aid Boxes marked with a white cross are situated at strategic points around both campuses.

ILLNESS

Minor injuries will be treated by any member of staff or responsible person. Please note that we are not allowed to dispense medicines of any kind, even aspirin or paracetamol. If you are likely to need an occasional painkiller, please bring your own supply. If you are ill but able to make your own way home, you should ensure you let your tutor know.

FUNDAMENTAL BRITISH VALUES (FBV)

The College expects all students to show consideration and respect for others, in keeping with fundamental British values:

“Fundamental British values are about democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs”

Democracy: Willing to listen to others with different views; know how to influence decision-making; be concerned about the welfare of others	Rule of law: Understand that laws protect everyone; no one is above the law. All are aware of rights and responsibilities
Mutual respect and tolerance: Understand and tackle prejudice, so that all are treated with dignity and respect	Individual liberty: Freedom; for example, the right to act, believe and express oneself in a manner of one's own choosing

These are also values shared by many throughout the world.

HEALTH AND SAFETY GUIDANCE

Colleges are open to a wide range of people from different backgrounds and ages, in particular, at Peter Symonds Adult Education division where you may be studying. There may be students aged between 16 years and 90 years. We therefore ask all students to tell their tutor/reception if they are made to feel unsafe in anyway whilst at college or if they notice strangers frequenting the site.

If you are ill but able to make your own way home you should let your tutor know. The College takes great care to provide a safe and secure institution for your education however because of physical limitations there are some hazards which we are unable to remove and the following information serves as a warning to you to exercise caution:

- Take particular care when there is snow and ice;
- Pedestrians and vehicles have to move on the car park. Vehicles should give way to pedestrians but pedestrians must be ready to avoid vehicles, particularly delivery vehicles; and
- Cycling, skating, skateboarding and roller blading are banned on campus because of the danger to pedestrians.

Subject areas have their own safety rules for curriculum based matters. As a student you are required to observe the safety instructions given to you, to act responsibly, to remain aware of factors affecting your safety and the safety of others and to report any safety concerns to either your tutor, Reception staff or the Health & Safety Officer. Security is the responsibility of everyone. Students must not leave valuables in a position where they may be stolen.

If you have any concerns about security issues or see anything which you believe may constitute a risk to the centre, its users or staff, please do not hesitate to make these known to the Reception or the Duty Manager.

1. To ensure the safety of all people using the building we ask you to obey a few safety rules:
 - Please do not litter the premises, use the bins provided
 - Please drive carefully in the car parks and neighbouring streets and when the car park is full please be considerate to residents when parking locally
 - Report all accidents or near misses to a member of staff
 - Treat all alarms as the real thing. Evacuate quickly and assemble in the designated area. Know where all the fire exits are
 - No smoking is permitted within the building
 - No running within the building
 - No food or drink is permitted in classrooms
 - Please report any hazards to a member of staff
 - Items likely to cause injury and/or a nuisance to others will be confiscated
 - Always use your ID Card to access the 6th form campus buildings when applicable and do not “tailgate”
2. To ensure your safety whilst working independently please ensure you sign in and sign out at Reception
3. Students are not normally permitted into the building before 8.30am
4. Students are asked to book in at Reception if they wish to use a college computer (subject to availability). Wi-Fi is available – please see separate section for more information on page 30.

ID CARDS

It is intended that all “full time” (approximately 12 hours or more a week including Foundation Degree/Degree) students will be issued with a College identity card, which will act as proof of identity. To be admitted to the Owens Road campus, you must be DBS checked and/or issued with a College identity card. Students must carry their card at all times and be prepared to show it to any member of staff on request. This will help us to deter unwanted visitors. If you lose your ID card you should contact the AHED Reception who can organise another card for you (A £2 charge per re-issue is applicable).

Students need to be aware that it is an invasion of privacy to photograph or record someone else around the College without their permission. It is also illegal to publish an image of another person without his or her permission. Indeed, recording an image or conversation without permission could be seen as a form of bullying and harassment, which would be subject to disciplinary procedures. Any recording during a lesson that occurs without the permission of the tutor is strictly prohibited.

PORTFOLIOS

Students will be notified when they are able to collect their completed portfolio and certificate. Advance notice of collection will enable us to get the portfolio out ready. These should be collected within a month of notification otherwise they may be destroyed. If a student wishes someone else to collect the portfolio on his or her behalf, we require written notification from the student naming who will collect the portfolio.

POLICIES AND PROCEDURES

The full list of our general Student Policies and Procedures can be found on our website www.psc.ac.uk/ahed via the Student Zone at the bottom of the home page (if you require any of these in a different format, please ask at the Adult & Higher Education Reception). These include:

- Admissions Policy for Students
- Appeals Against Assessment
- Charging Policies And Procedures
- Complaints Procedure
- Equality and Diversity Policy for Students
- Student Conditions Of Use Of Peter Symonds College Network
- Student Disciplinary And Exclusion Policy & Procedure

Specific Higher Education Policies and Procedures are available through moodle. Guidelines on Recognition of Prior Learning for Higher Education applicants are available on our website via Higher Education – Wider Information about HE.

PRINTING (top up)

For full time students with printing rights at the College, you are able to arrange top up on the credit available by visiting AHED Reception (cash only).

PROGRESS REVIEWS

Progress Reviews are an opportunity for the student to sit down with their tutor and discuss their progress. An important part of the process is their own reflection on their progress. An action plan will then be drawn up. Progress Reviews occur in the Autumn and Spring terms and in the case of students under the age of 19, information regarding progress, effort and the number of completed homeworks is sent home to parents. Parents of students who are considered to need additional help and support are specifically invited in to discuss the progress.

Students have a key role to play in the progress review. The person who has the best insight into how well they are doing, how hard they are working, and what they might do to improve is themselves!

REFUNDS

Most providers do not offer refunds because it affects the viability of their programmes. Each course depends on the number of fees collected to cover the costs of the course and decisions based on whether the course will run are taken at the commencement of the course or programme.

In the event of the student being unable to commence the course, the following notice periods will apply:

- 28+ days prior to start of course - Full refund
- 27-8 days prior to start of course - 75% refund
- 7 days or less prior to start of course - No refund

For more detailed information on the Refund Policy, please contact the AHED Division Reception or refer to our website.

CIRCUMSTANCES BEYOND OUR CONTROL

If a class is cancelled due to circumstances beyond our control, we will, in the first instance, contact you by email and/or text and then, if time, follow up with a phone call. We will endeavour to offer an alternative session to make up the lost class. If a learner is unable to attend the alternative session, we regret we are unable to offer a refund. A refund will be made only if we are unable to offer an alternative session. Please ensure that we have your most up to date contact details.

SAFEGUARDING (incl Prevent Duty)

(see College policy for the safe guarding of children, young people and vulnerable adults for further information)

The College holds as one of its highest priorities the health, safety and welfare of children, young people and vulnerable adults studying on programmes which are under its responsibility.

Child Protection

Child Protection is part of safeguarding and promoting student welfare. This includes:

- Protecting young people from harm and maltreatment
- Preventing radicalisation

What do we mean by child?

Young people up to the age of 18 are covered under safeguarding legislation, along with vulnerable young adults (under 25).

Students should, however, be aware that **at any time in their life an adult can become vulnerable**. For example, you may come across a student who is vulnerable for some other reason, such as mental illhealth, self harm, an eating disorder, or disrupted home life.

Abuse and neglect are forms of maltreatment of a young person. Somebody may abuse or neglect a young person by inflicting harm, or by failing to act to prevent harm.

Abuse can take the following forms:

- Physical
- Sexual (including sexual exploitation)
- Emotional
- Neglect

There are many different signs of abuse, some of which might be:

- Unexplained bruises or injuries
- Sudden changes in behaviour
- Something the young person has said
- A change observed over a period of time (e.g. losing weight; becoming increasingly dirty; appearing distant disengaged).
- Abuse can also be peer on peer. If this is the case, follow the same procedures as for any form of abuse.

If you are worried about any student or your own situation, please talk to a member of staff. All staff have been trained in safeguarding and the Prevent duty. If you do disclose something to a member of staff they will not be able to promise you confidentiality as they will need to report it to one of our Designated Safeguarding / Prevent Leads. In the Adult & Higher Education Division the Director, Alex Day is a designated Lead and you can talk directly to her.

As with any other safeguarding matter, the situation will be explored further, which may include talking with the student and advice being sought from an external agency. A formal referral may then be made to an external agency like the children's or Adult Services.

PREVENT DUTY – Advice to Students

Background information

The Prevent Duty came in to effect from 1 July 2015. The Counter-Terrorism and Security Act 2015 requires the college to have due regard to the need to prevent people from being drawn into terrorism. The Prevent agenda aims to stop people from becoming terrorists or supporting terrorism by working with individuals and communities to address issues before they become a criminal matter, to stop people from moving from extremism to terrorist-related activity.

'**Radicalisation**' refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups. Factors behind radicalisation can include:

- Lack of integration and/or polarisation
- Identity crises and/or isolation
- Discrimination
- Political and/or democratic disenfranchisement
- Ideologies and/or faiths
- Foreign policy and/or international crises or disputes

Under the Prevent Duty, we need to be able to respond to:

- Inappropriate material and behaviours
- Disclosures by learners about their exposure to extremist actions, views or materials
- The accessing of extremist material on-line
- Parental or peer concerns
- Intolerance of difference
- Anti-Western or Anti-British views

Who are we safeguarding?

There is no stereotype for people who hold extremist views. People can become vulnerable for many reasons, including: low self-esteem; guilt; loss; isolation; fear; anger; family breakdown; peer pressure. These factors will not necessarily drive someone to terrorism, but a sense of injustice (be that on a personal or more far reaching scale) can be exploited by people who have their own agenda. Signs of radicalisation are difficult to define, but will look a lot like troubling behaviour:

- Emotional – angry, mood swings, new found arrogance
- Verbal – expressing opinions that are at odds with generally shared values
- Physical – changes in appearance; changes in routine

What should you do if you believe someone to be at risk of radicalisation?

You should express any concerns you might have to the AHED Prevent Officer (Alex Day, Director of Adult & Higher Education).

Notice; Check; Share:

- **Notice** any changes in behaviour or appearance
- **Check** out your concerns with someone else who knows the student, but trust your instinct if you are still concerned
- **Share** your concerns with the Director or Adult & Higher Education or another member of the Senior Management Team.

What will then happen next?

As with any other safeguarding matter, the situation will be explored further, which may include talking with the student and advice being sought from an external agency. A formal referral may then be made to an external agency like the police.

Concerns about a member of staff:

If your concern is about a member of staff, please speak with a member of the Director of Adult & Higher Education or the Senior Management Team. The appropriate personnel procedures will then be followed.

Protocol for visiting speakers

Staff at AHED will follow the relevant guidelines and procedures for all visiting speakers visiting the site and will oversee the visit.

Speakers invited by students need to be organised via a member of staff. Please speak to your Curriculum Head, Programme Leader, or the HE Administration Assistant.

Student Conditions of Use of Peter Symonds College IT Network

At no time may the College computing or telecommunications facilities be used for the storage, display or transmission of material, in any format, that is abusive, racist, pornographic, or terrorist in nature.

Any defamatory text, images or other content about any member of the College (staff or student), or that brings the College name into disrepute, posted on any Internet site is not permitted and may lead to disciplinary procedures. This also applies to anything posted from either inside or outside the college.

The College Internet access is filtered to block undesirable sites, but if users do come across unsavoury material they must quit from that area at once. The downloading, viewing, storing or transmission of any racist, pornographic, terrorist or abusive material will be treated as gross misconduct and dealt with appropriately.

Users must never use email to encourage others to break the law or contravene College policies and procedures.

Users must never use email to engage in commercial or political activity unrelated to the business of the College.

NB: Prevent Duty requires that colleges “must have clear policies in place for students and staff using IT equipment to research terrorism and counter terrorism in the course of their learning”.

SMOKING (incl. electronic cigarettes)

The college operates a **no smoking** policy in all areas. It is illegal to smoke in any of the College's buildings. It is also not permitted to smoke around College entrance areas or near windows where people can be affected by the smoke. It is EXPECTED you will only smoke in the DESIGNATED area. Non-compliance could lead to disciplinary procedures and withdrawal from your course.

STUDENT DRESS CODE

The student contract states that clothes appropriate to the working environment must be worn and offensive logos on T-shirts are not acceptable; smart casual wear is the accepted norm. Clothes that are too revealing, such as loose jeans with no belt, or low necklines, may also be found to be offensive by others, including staff and fellow students.

If students choose subjects where it is necessary to wear protective clothing e.g. a lab coat and goggles, they will only be able to participate fully if they wear these. In practical subjects, students must not wear clothing which could present a health and safety risk e.g. loose and flowing. Students should not wear clothing, which restricts the ability of others to identify them whilst on campus or in examinations, eg hoods or crash helmets. Therefore, unless there is medical evidence (i.e. a Doctor's letter) or religious grounds, hats and hoods will not be permitted in classes and examinations. The face must not be covered.

This code is not intended to restrict unnecessarily students who may wish to wear particular clothing associated with their religious beliefs, but nonetheless the issues of health and safety, and of the need for students to be readily identifiable, are considered essential.

STUDENT LOANS

There are two types of loans available for courses offered at AHed:

1. Full time Higher Education loan for Foundation degrees, full degrees and top-up degree courses only;
2. Advanced Learner Loan for eligible level 3, 4, 5 & 6 courses that are **NOT university degree courses**.

If you choose to pay for your course fees by loan, **please choose the correct category of loan from the above** when you first apply!

HIGHER EDUCATION

The foundation degrees and degrees offered are classed as **full-time for student finance purposes**. You may be eligible to apply for a tuition fee loan and/or a maintenance loan. You should apply for a loan as soon as possible so that it will be in place at the start of your course. The code for Peter Symonds College is ADOA. Your course will be confirmed in your offer letter and is usually the UCAS course code (available at ucas.com). Further information on Student Finance can be found on the following website: <https://www.gov.uk/student-finance>. You can also use the Student Finance Calculator to look at the finance you may be able to get <https://www.gov.uk/student-finance-calculator>.

If you do not have access to a computer, please contact the Student Support team on 01962 886166 or via the AHed Reception, who will be able to provide you with a hard copy of the form. Once processed, please ensure you pass on the "University or College Payment Advice" to the Student Support Manager via the AHed Division Reception as soon as you receive it so that the loan can be processed as smoothly as possible.

ADVANCED LEARNER LOANS (FURTHER EDUCATION)

If you are aged 19 or over at the start of your course and enrolling on an eligible Level 3 or Level 4 course, you may opt to apply for an Advanced Learner Loan to pay for your course fees <https://www.gov.uk/advanced-learner-loan/overview>. At interview, you will be given a 'Learning and Funding Information' letter, which will provide you with all the information required to apply online for the loan. If you do not have access to a computer, please contact the Student Support team via the AHed Reception, who will either be able to arrange for you to use a computer or provide you with a hard copy form. Once processed, please ensure you provide written confirmation of your loan to the Student Support Manager via the Division Reception as soon as it is received.

FOR ALL LOANS - Please Note:

- If your loan is not approved before the end of November 2019, we will ask you to start paying your fees by instalments. Then once the loan is approved and we are in receipt of the first payment, we will arrange to refund any payments made;
- If your loan application is unsuccessful, you will need to arrange to pay your course fees including any exam/registration fee as soon as possible either in full or by instalments (see instalments section).

If you subsequently withdraw or are withdrawn from your course, you will become personally liable for any amount outstanding for the remainder of the course. You will need to pay the outstanding balance within 7 days of your withdrawal. If this is not possible, please speak to the AHed Business Manager on 01962 889542 to make alternative arrangements.

STUDENT UNION

If you would like to belong to the College Student Union, please contact Student Services on 01962 857547. There are also opportunities to become a Student Governor by contacting Hilary Walsh, Clerk to the Governors on 01962 857526.

STUDY SUPPORT

The College has a commitment to support students who need additional study support. If you feel you may need additional help to progress towards, and successfully achieve, your learning goal, this can be arranged through the Head of Learning Support (AHed) at the Division. You can ask for study support at any stage of your course.

HOW DO I INFORM THE COLLEGE THAT I MAY NEED ADDITIONAL STUDY SUPPORT?

You can let us know in the following ways:

- Self-referral by indicating your need for additional study support on your enrolment card/when enrolling by phone/when enrolling face to face
- Referral during the course by the tutor
- Self-referral at any time during the course
- Complete an "Additional Support" screener on moodle, once you have been issued with your general IT username and password and if your screener suggests you may need additional support, you will be contacted.

WHAT HAPPENS NEXT?

You will be contacted by the Head of Learning Support (AHEd) to discuss your additional support needs. All discussions and requests are treated confidentially. Some people may have reservations about declaring a difficulty or disability. They might feel they are able to cope, or they might fear discrimination. Even if you believe you will be able to cope, we recommend that you discuss the implications of any disability with the Head of Learning Support (AHEd) to ensure that we can adequately meet your needs and that you have information about the support available. These discussions will be strictly confidential.

SERVICES

There is a small team of staff at the Adult & Higher Education Division, who have experience in supporting students with additional support needs. This team can work with students on a 1:1 or a group basis. We offer a range of support to anyone who has a disability that may affect their learning. This could cover:

- Learning difficulties
- Specific learning difficulties such as dyslexia
- Sensory impairment (eg visual, hearing)
- Physical disabilities
- Difficulties in learning associated with mental health problems

The type of study support you may require will depend on your individual needs, however, the support available can include:

- Special equipment and aids (eg hearing loop, large print)
- Special arrangements for external examinations (eg extra time, reader, scribe, word processor)
- Individual support from a Learning Support Assistant
- Note Takers
- Study Skills
- Specialist Teacher

There is also Academic & Study Support available for Higher Education students on a wide range of topics including:

- Planning and writing essays
- Writing reports and dissertations
- Citing and referencing
- Reading for comprehension and note-taking
- Studying for exams
- Managing time effectively

If you think you may need examination access arrangements, you must declare this at enrolment as there are fixed deadlines for applications and we need time to prepare reports and submit them to the awarding body for their approval.

For further information about exam access arrangements please contact the Head of Learning Support (AHEd) on 01962 886166 or ahed-studysupport@psc.ac.uk

TRANSFERS

There is no administrative charge for transfers between similar Adult & Higher Education Division courses. Requests should be made **in writing** to the Registry **before, or within 7 days of the commencement of the course**.

The transfer of fees or substitutions between students is not permitted. No credit can be given in respect of payments made to other colleges.

ONE DAY WORKSHOPS

We require 7 days written notice prior to the commencement of your one day course for a transfer.

This is because one day workshops often run with lower numbers and we need to make a decision to employ the tutor 7 days before the workshop takes place.

UCAS Deadlines

2019 ENTRY

You can apply via UCAS up until 20 September 2019 and applications must arrive at UCAS by 18:00 (UK time) but instead of choosing courses, you'll be entered into "Clearing". **You may still apply DIRECTLY to the College, for a place on a Higher Education course, up until the October half term (excluding Counselling) subject to availability.**

Please visit <https://www.ucas.com/advisers/getting-started/application-deadlines> for specific dates/details.

2020 ENTRY

The dates vary between courses and course providers:

15 October 2019

Applications for Oxford, Cambridge or most courses in medicine, dentistry and veterinary medicine/science should arrive at UCAS by 18:00 (UK time). **The reference needs to be completed before the application can be sent to us – College deadline is Tuesday 25 September 2019.**

15 January 2020

Applications for the majority of undergraduate courses should arrive at UCAS by 18:00 (UK time) on this day (check course details in our search tool for the correct deadline). The reference needs to be completed before the application can be sent to us. College deadline is Tuesday 13 November 2019. The College will still process applications and send them to UCAS after this date, but cannot guarantee that they will reach UCAS by the deadline in January 2020.

UCAS will process applications up until 30 June 2020, for entry in 2020, but any received after 15 January 2020 will be marked 'Late Applicant' and universities will consider them after the first cohort. Any applications that reach UCAS after 30 June 2020 will go straight into clearing.

March 2020

Some art and design courses may have a March deadline; applications should arrive at UCAS by 18:00 (UK time). (Others have a 15 January deadline – check course details in the UCAS search tool to confirm the correct deadline.)

28 August 2020

Final deadline for 'late' 2020 applications. Applications must arrive at UCAS by 18:00 (UK time).

See the UCAS Tariff information on the UCAS website: <https://www.ucas.com/ucas/tariff-calculator> As not all universities and colleges use the Tariff, it is really important to check the entry requirements for the course(s) you are interested in. If you have any questions, talk to the university or college you are applying to.

Wi-Fi

You can access PSC Wireless by using your Peter Symonds College username and password. If you are a visitor to the Division, please use the details placed on the noticeboard daily in the Café area.

WITHDRAWAL FROM YOUR COURSE

If you are considering withdrawing from your course, it is important to speak to your tutor or Head of Curriculum before committing to this course of action. You may, dependent upon the circumstances, be able to suspend your studies. In either case, you will need to complete a 'Transfer, Suspension or Withdrawal of Studies' form.

If you withdraw or are withdrawn from your course, you will become personally liable for any amount outstanding for the remainder of the course. You will need to pay the outstanding balance within 7 days of your withdrawal. If this is not possible, please speak to the Business Manager on 01962 889542 to make alternative arrangements.

FREQUENTLY ASKED QUESTIONS

What do I do if I join a class that does not recruit enough students?

Most courses need a minimum number to start and to continue, and some may need to be closed or merged. We reserve the right to reduce the length of a course if there are insufficient numbers in order to make the course viable and enable it to run.

To minimise disappointment and enable students' courses to start confidently, the Division aims where possible to withdraw undersubscribed courses from its programme before their commencement. Enrolled students thus affected will be informed and, when possible, offered alternatives on a priority basis. If such alternatives are not acceptable, a full refund of fees paid will be actioned.

Every reasonable effort is made to ensure that courses continue once properly underway. In the case of modular courses, no guarantee is given that a minimum number of modules will be run within any one year, although the Division will continue to make every reasonable effort to ensure that candidates are able to meet the overall requirements for certification within a reasonable period.

What do I do if I really don't want to enrol in advance?

The previous paragraph explains why we have to withdraw courses that appear to have insufficient interest shown in them. In previous years some people have been surprised and disappointed to find that courses they had every intention of joining had been withdrawn. Courses with insufficient numbers are cancelled 48 hours before they are due to start.

Under no circumstances can places be held without FULL payment.

The other reason for enrolling in advance is to ensure you have a place. Places are given on a **first come first served basis** on payment of the course fee. The full choice of courses will only be available to those who act quickly. Therefore, students are urged to enrol in advance to avoid disappointment.

Can I join a class that has already started?

If there are spaces available on a class that has already started, you are able to join it but will need to pay the full fee. If it is a course leading to a qualification, the decision will depend on whether the Head of Curriculum deems that you will be able to catch up any work already undertaken.

For a leisure course, the Head of Curriculum will also advise whether it is suitable to join a course midway through. Depending on the number of weeks remaining, a reduced fee may be charged, however, this is at the discretion of the Director of Adult & Higher Education.

What do I do if anything goes wrong?

If you have any concerns about your course, the information you have received, your tuition, any aspect of the College environment, eg toilet facilities, broken or defective equipment or if you feel you have been unfairly treated in any way please let us know. In the case of an academic matter, please discuss this with your tutor or Head of Curriculum. For other matters, please contact Reception.

What do I do if I have to take the accreditation process or examination for my course?

If your course leads to accreditation, it has been subsidised by 50% by the Education & Skills Funding Agency and it is a condition of the subsidy you receive that you agree to take part in any accreditation or examination procedure as agreed by you and your tutor on the Learning Agreement.

What should I do if I am finding my subjects too hard?

- Ask your tutor for help – talk to them at the end of a lesson and arrange a mutually convenient time to go through whatever it is you don't understand
- Seek assistance from the Head of Learning Support (AHed) (see Study Support Section on page 28)

What should I do if I am not sure what course to do next?

Contact the receptionist who will refer your enquiry to the appropriate person. They will contact you within 5 working days. An appointment can be made for you to speak with one of the Heads of Curriculum. All records of such interviews are confidential. Staff offering information and advice are all competent to the level at which they are working.

Directions to the AHED Division, Stoney Lane from the M3

Coming from the M3, take exit No. 11 and follow the signs to Winchester to the second roundabout. Take second exit into Badger Farm Road. Follow this road across the third roundabout and on to the fourth roundabout. Take second exit onto the Romsey Road going into Winchester.

Stay on this road (you will pass two sets of traffic lights) until the roundabout at the junction with Chilbolton Avenue. Turn left into Chilbolton Avenue and continue to the end of this road, then turn left at the mini roundabout at Stockbridge Road. After a short distance, at another mini roundabout by the shops, turn right into Stoney Lane.

Acorn Close is the first on the right after the parade of shops, where you will find the Adult & Higher Education Division car park. Bus numbers 3, 4 or 68 run approximately every 10 minutes from the City to Dean Lane corner - we are then a short walk along Stoney Lane.
