Next Review Date:	June 2021

This policy applies to requests for reviews of marking carried out internally in relation to the following qualifications and forms of assessment:

GCSE controlled assessments, GCE coursework,
GCE and GCSE non-examination assessments and Extended Project Qualification

Peter Symonds College is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. We are committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. We will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. We will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment.
3. We will, having received a request for copies of materials, promptly make them available to the candidate.
4. We will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.
5. Requests for reviews of marking **must** be made in writing within five days of receipt of the mark, using the Request for Review of Centre Assessed marks form
6. We will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. We will ensure that the review of marking is carried out by an assessor with appropriate competence, who has had no part in the original assessment of the work and has no personal interest in the review.
8. We will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.

10. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Peter Symonds College and is not covered by this procedure.
